

# KODIAK®

Introducing Kodiak Equipment's Work Horse:  
**Kodiak HD**

The all new offering of Kodiak belt drive pressure washers has an innovative, industry leading cart design. Compact, easy to transport and virtually vibration free with the option of high cart or low cart configurations.

With an easy-to-remove belt guard and revised pump mounting bracket it makes changing, aligning and tensioning belts simple.

An extensive range of models to meet your needs, offered with or without time delay.

**A** Reinforced Fully Welded Chassis
